Note: The term "invoice" is used for convenience only, to support recognition by clients' accounts payable systems. This document is a Donation Report summarizing a pledge for a future donation. Pledges are not legal obligations to pay. Provided sufficient funding has been received, disbursements to nonprofits can occur with consideration of donor advice, at the foundation's sole discretion.

This document is made pursuant to your agreement with Benevity, Inc. - the Total Due represents the Donation Funding Amount defined in your agreement.

If you have any questions, refer to your agreement or contact your program administrator or submit a request through the B-hive.
