

## Global Donor Advised Fund

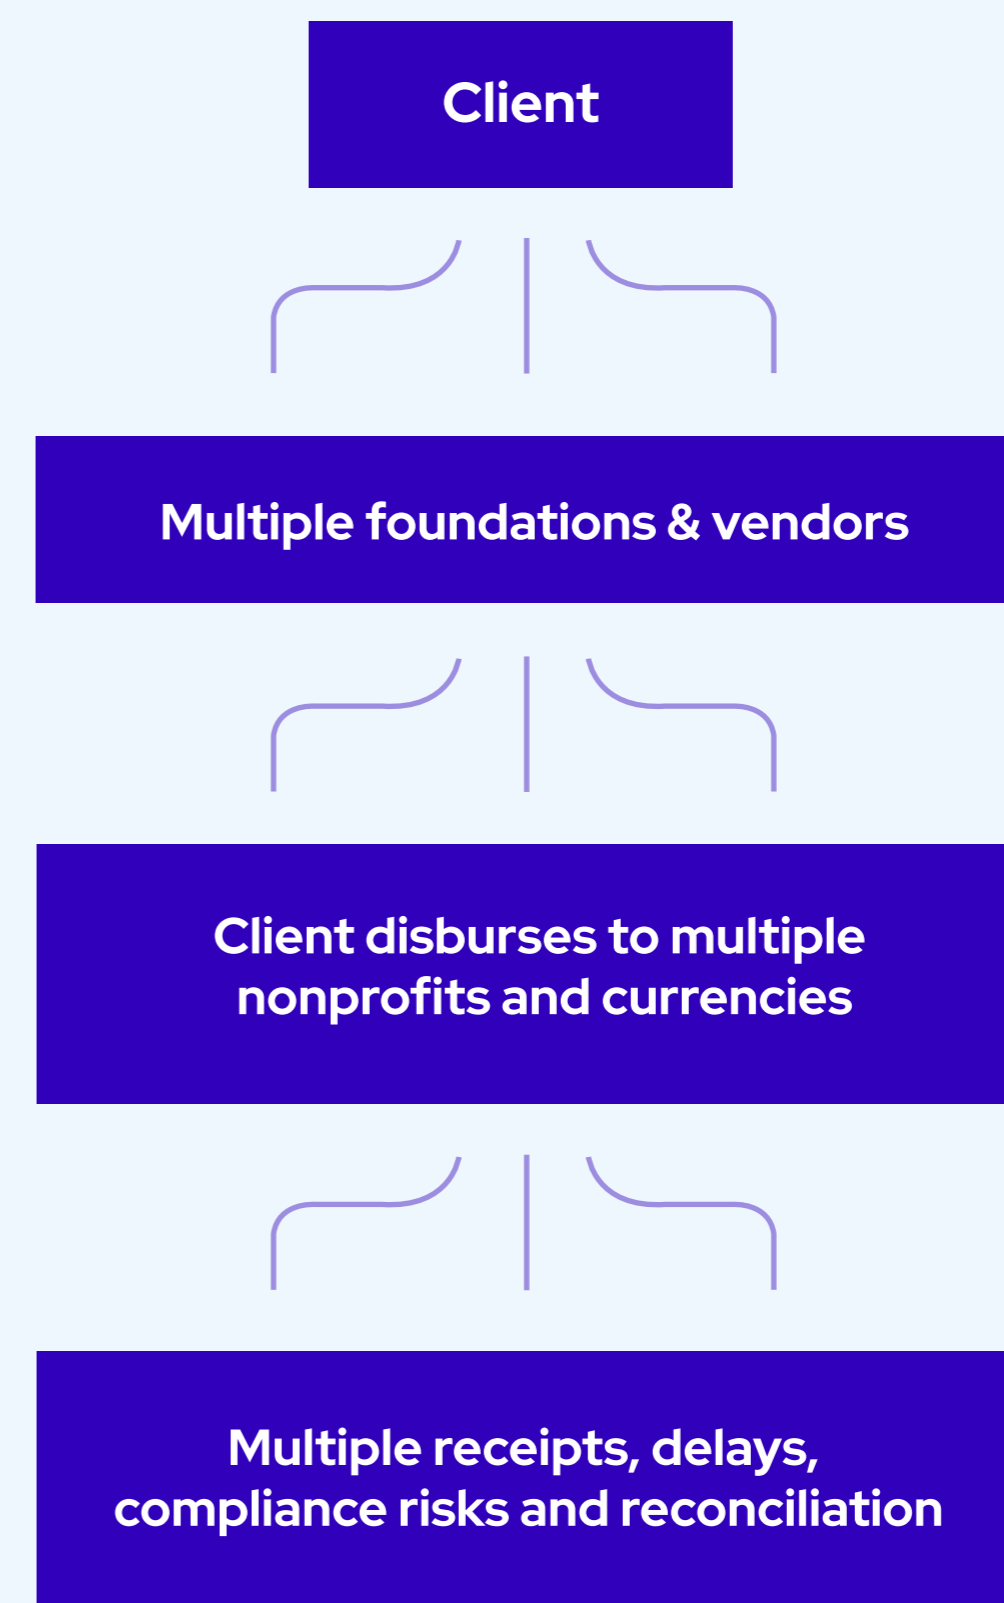

Simplify global giving through one trusted solution

Cross-border giving can be complex – with multiple currencies, tax rules and reporting requirements. **The Global Donor Advised Fund (DAF)**, facilitated by Benevity and sponsored by the **American Online Giving Foundation (AOGF)**, simplifies international giving. Clients make advance donations to AOGF and Benevity supports disbursements, compliance and reporting – all through one coordinated solution with white glove support.

### With a Global DAF

### Without a Global DAF

- 1 Make an advance donation**  
 Make donations to AOGF that can support all types of global giving programs, including employee matching, rewards and community initiatives. Advance donations (e.g., approximately two months of anticipated giving) support efficient and consistent disbursements. Receive a tax receipt from AOGF, simplifying planning and audit readiness.
- 2 Benevity facilitates disbursements**  
 Benevity coordinates due diligence, compliance and currency exchange – ensuring qualified nonprofits receive funds efficiently and in local currency.
- 3 Nonprofits receive disbursements**  
 Provided sufficient donations have been made, disbursements can occur with consideration of donor advice – supporting timely, compliant giving to eligible nonprofits in 200+ countries.
- 4 Clients receive consolidated reports and support**  
 The Global DAF offering includes one consolidated monthly report and proactive monitoring by Benevity's **Financial Operations Managed Services** team, ensuring transparency and ongoing stewardship.

## Global DAF benefits

- One global solution**  
 Simplify global giving with centralized coordination and governance.
- Consolidated receipting**  
 Receive a single tax receipt for each donation to AOGF.
- Timely disbursements**  
 Advance donations support efficient, compliant giving and grantmaking.
- Global readiness**  
 Enable rapid response to urgent global needs.
- Expert oversight**  
 Benevity provides white-glove coordination and reporting for peace of mind.
