      i. Donations in scope are made to American Online Giving Foundation, Inc. ("**AOGF**") using a single donation setup; and
      ii. Client may donate the entire Donation Funding Amount for all applicable Foundations in USD to AOGF, subject to applicable legal and operational limitations.
   c. AOGF, in its sole discretion and with support from Benevity, may:
      i. Convert USD funds received through foreign exchange transactions; and
      ii. Disburse funds, whether in USD or a converted currency, (A) directly to Eligible Nonprofits or (B) as grants to non-U.S. Foundations for further disbursement to Eligible Nonprofits, where legally permissible.

Such donations will be assessed and reported directly by Online Giving Foundation in India and will need to be made to that Foundation in INR by a local source India entity of Client as governed by the India Experience SSI here[1].
   c. **Sponsorship Funding**. If the Agreement permits Client to send funds to Global Online Giving Organization, Inc., any such funding is excluded from the Global DAF. Such amounts must be remitted directly by Client in the applicable currency in the ordinary course.
