

Software and Service Information

Workday Integration

1. **Applicability.** The terms contained herein apply to the extent that Client has purchased the Workday Integration via an Order Document.
2. **General.** Benevity will recommend a specific Workday data security configuration. If Client decides to use a different data security configuration, then Benevity may not be able to ensure the correct and continuing operation of the integration. As well, if Client changes its Workday data security configuration at a future date, then the integration may be unable to provide the required data to the System (as defined in the MSA) and/or to Workday.
3. **Definitions.** Capitalized terms used and not defined herein will have the meanings given in the MSA available online [here](#).¹
